PIH Summer Internship Opportunities 2025

Description

As a PIH Summer Intern, you will have the opportunity to contribute to meaningful projects and gain hands-on experience in global health. This internship program is designed to provide students with exposure to various aspects of our organization while making a positive impact on the communities we serve.

Responsibilities

- Collaborate with multidisciplinary teams on ongoing projects.
- Conduct research and analysis to support programmatic initiatives.
- Assist in the development and implementation of health education programs.
- Contribute to the creation of reports and presentations.
- Engage in data collection and analysis to evaluate program effectiveness.
- Participate in meetings, conferences, and training sessions.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong academic record.
- Demonstrated interest in global health and social justice.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Proficiency in Microsoft Office Suite.

Experience

- Previous experience in a related field or through coursework is a plus.
- Familiarity with global health issues and healthcare systems is advantageous.

Skills

- Analytical and research skills.
- Strong organizational and time management abilities.
- Cultural sensitivity and adaptability.
- Problem-solving and critical thinking.
- Effective written and verbal communication.

Job Benefits

- Gain practical experience in the field of global health.
- Networking opportunities with professionals in the healthcare industry.
- Exposure to diverse projects and initiatives.
- Mentorship from experienced professionals.
- Certificate of completion at the end of the internship.
